ESSENTIAL VITAMINS AND NUTRIENTS: HOW DO I KNOW WHAT TO TAKE?

Presented by Dr Ron Hunninghake and Dr Ann Zauderer

Are supplements worth the money? How do I know what and how much to take? These are common questions we regularly get. Navigating nutritional medicine can be difficult! Join Dr. Ron Hunninghake and Dr. Anne Zauderer as they discuss what some of the most important nutrients are for you to be checking and taking on a regular basis

Attend live at the Wichita Campus, or stream remotely from YouTube.

WHY TEST?

Check Your Health is an opportunity to measure your individual nutritional status and assess your overall health. Nutrient imbalances have been shown to contribute to a wide variety of chronic illnesses.

Don't wait until a chronic illness develops, act now while information about prevention can make a difference.

SCHEDULE YOUR LAB DRAW

316.684.7784
