Living Well

Are you looking for direction on implementing a more holistic lifestyle, maintaining wellness, and preventing disease? Our new "Living Well" package addresses the needs of new patients who have not yet experienced a medical diagnosis but are wanting to focus on REAL HEALTH.

DESIGNED FOR NEW PATIENTS SEEKING TO:

- Assess their current health and nutritional status
- Maintain life-long wellness
- Develop an informed plan for lifestyle, environmental, and dietary changes

THIS PACKAGE INCLUDES:

- Fundamental analysis of nutrient levels including the Foundation, Methylation and LifeCare Hormones lab panels
- 80 minutes with a Riordan Clinic doctor
- First follow-up appointment
- IV Vitamin C
- Educational classes and resources

WHY TEST?

Check Your Health is an opportunity to measure your individual nutritional status and assess your overall health. Nutrient imbalances have been shown to contribute to a wide variety of chronic illnesses.

Don't wait until a chronic illness develops, act now while information about prevention can make a difference.
